

Windows App Certification Kit - Test Results

App name:

RollingRolling

App publisher:

WeizhiXu

App version:

1.0.0.0

App Architecture:

x64

Kit Version:

10.0.14393.33

OS Version:

Microsoft Windows 10 Enterprise (10.0.14393.0)

OS Architecture:

x64

Report time:

10/21/2016 9:25:27 AM

Overall result: **PASSED**

Deployment and launch tests

PASSED	Bytecode generation
PASSED	Background tasks cancelation handler
PASSED	Platform version launch
PASSED	App launch
